

It's In the Bag

Make a smooth transition from the studio to the street with these functional and fashionable bags.

- 1 This **collapsible bag** zips down to the size of a CD case so you can bring it with you to ferry home souvenirs and other goodies from events and competitions. Info: Murval; 866-MURVAL-3; www.murval.com
- 2 The padded **Flight Bag** is perfect for carrying your laptop on a plane, and the various pockets will keep you organized while you're on tour or traveling to a conference. Info: Jane Marvel; 800-600-3458; www.janemarvel.com
- 3 The rectangular **Pato Bag** is spacious but not bulky, and its pink checkered interior has a zippered pocket to hold smaller items that get lost at the bottom of your purse. Info: Mary Jane Bags; 706-529-2692; www.maryjanebags.com
- 4 Its medium size and lightweight material make the **Electric Blue Tote** ideal for carrying heavier items such as tap shoes and CD cases. Info: Sweet T Original; www.sweettoriginal.com
- 5 For everyday convenience, the small **Estelle Bag**, shown in Carnival Blossom, fits comfortably under your arm, and its snap closure will keep everything secure. Info: Marymo-Handmade; www.marymo.biz
- 6 A roomy interior makes **The Shopper L** great for moving between home and the studio. A front Velcro pocket allows for easy storage of keys and other items you need to find in a hurry. Info: ReisenThel Accessories; 49-89-80064440; www.reisenThel.com
